NEW YORK, N.Y.

Local No. 1

Hello and Thank You to Local No 71 in Miami. All the comments we have heard from our delegates and their families, indicate that you did an outstanding job in organization and entertainment. We hope some day to be able to repay your hospitality.

Artie Carlson, John Devin, and Ronnie Willeges, former members of Local No. 1, did their part in showing our Brothers around their new area.

As most of you know, George Koch was re-elected to a five year term as fourth Vice-President for the International. The best of luck in this new term.

We have a new attorney with our Local now. He is Dick Markowitz, and we wish him the best of luck.

Many of our Brothers are on extensive holidays this year. Brother and Mrs. Garnder and Brother and Mrs. Traska are vacationing on the Jersey shore, leaving Bill Hannan to hold down the job. Brother and Mrs. Don Jewett are in England, the Matty Downey family is in Ireland, Mrs. Ray King and son are visiting Switzerland and Italy. Brother Ray plans to tour Mexico via motor

Did you hear the one—about Joe scooter, later.

Post "the luckiest mechanic in charge". John Green, his shop steward, 55 Water Street, thought he

could harden up his soft men by organizing a soft ball team during lunch break. All went well until the helpers beat the mechanics. Now, the lunch hour is back-for lunch.

We extend our deepest sympathy to the family of our departed Brother Andy Campbell.

Our best wishes to John Mullen, who is recuperating from "a run-in" with a roller guide; and Jim Bagerty, who is doing fine after an appendectomy.

We wish to congratulate Carl DeBellis (Otis), Ed McAllister (Armour), and George Buda (Otis), for the fine jobs they are doing.

John Cusack, who is on loan from Otis to Hillar Elevator is completing a job after one year, a job that we would never have had if Brother Watson, as delegate, had not found them scabbing the job.

The two 110 story twin towers are topped out with steel and the elevators will soon follow with John Monahan, Bob Jensen, Walter Bilsky, Tom Donovan, and my Frank Pike in charge. Up Rails.

Little League managers are now involved with football. Our hats are off to Artie Bland, Jr., Dan Sheppard, Ed Gardner, Tom Hughes, and John Cusack for the bettering of our young ones.

Brother Tom Hughes is leaving us for Orlando. We wish him luck. Eric Christenson, honorary brother, is doing well in Florida. Also, Herb

All Correspondence must be in the International Office by the 15th of the month prior to publication.

Your cooperation will speed production and delivery of your Journal.

Ten men who care are more than a match for a 100 who don't

SPECIAL NOTICE

I am pleased to see so many Correspondents writing articles for the Journal but I must request the Correspondents who write exceptionally long articles to cut down to about 600 words. Again it has been necessary to delete a portion of some articles due to lack of space. Your Editor tries to do this without destroying the continuity of the article, With your co-operation we will be able to print all articles as submitted to the International Office. Photos will be used when space permits.

Hans is doing well on his first big job.

I have heard that our brothers who were fined have had their fines reduced two thirds at the Convention Appeal Board. Brothers John Walsh and Ed Halpin appeared before the Board.

I spent two weeks in the mountains camping. Man, that is really living.

Most jobs now have safety lines. Use them, Brothers. They are for our protection.

Things seem to be doing smoothly with all the changes made at our last election. Let's get together, Brothers.

I overheard that Karl Stork, Jack Wilson and Joe Lediger, and their wives went deep sea fishing. Joe caught a barracuda.

Tom McGoldrick, business agent, is on vacation and Tom Connolly and Karl Stork are covering his territory.

Until next month. Good Morning, rails. Good Night, rails.
